# Spirit Week Arrives In Splendor

# Class Of '73 Does It Again

The Senior Fantasy came triumphantly away from Spirit Week with another first place for the class of '73.

Taking full advantage of their theme, the Seniors dressed up as every Fairy Tale and Cartoon character imaginable. They placed first in twelve out of the fifteen categories judged, including, the theme, float, sign, and the hall, pole and tree decorations.

At right: Princess Carolyn Jones waves proudly from the Senior Fantasy Castle.

Above: "Prince Charming" Joel Sabenorio pauses quietly in a crowd of enthusiastic Seniors.

At right: V-I-C-T-O-R-Y! That's our Senior battle cry!

# Jitterbugs Dance Their Way To 2nd

The Junior Jitterbugs beep-bopped their way to second place with a style from the past.

Dressed in the fashion of the fifties, the Juniors highlighted their noon rallies by "Bunnyhopping" around the patio to the rythm of rock-and-roll records.

In addition to their second place, the Juniors received the weekly Spirit Stick award, for displaying the most spirit at the Jousting day game.

"You know, Annette, that Jitterbug doesn't look too easy!"

Mascots Drucilla Manix and Lori Kostal strike a pose in the Freshmen hall.

## Freshmen Triumph In Fight For Third Place

The Freshman Circus didn't clown around when it came to their first Spirit Week. They edged the Sophomores out in a close race for third place. They placed third in several categories including hall, tree, rallies and theme. The Freshmen used this theme to the fullest extent, many dressing as clowns, ringmasters and acrobats.

At left: Lori Kostal scrubs off her greasepaint.

"Did you hear about..."

The Sophomores go all out to show their spirit at the rally.

# Sophomores Prove Tough Competition

The Sophomore Goldrushers edged out of third by the Freshmen, had to be satisfied with fourth place. Their float, a gold mine, tied with the Juniors' for second. The Goldrushers spirit, however, is an enduring one, they captured the Spirit Stick award five out of the seven times it was given during football season.

Below: A goldrusher yells with her class.

A truckload of goldrushers gleefully display their float before the stands.

Sophomores walk purposefully toward the rally.

"Kill! Kill! Kill!" At right: Referee Don Blakley directs Diana Jones to goal line.

# Powder Puffers Puff On

After weeks of hard practice and many postponements, the powder puff football game was held on November 20. The game, an annual event between the junior and Senior girls, was played with gusto, according to the bruised and muddy players.

The Juniors were coached by Mike Watkins and Ted Rollins, the Seniors, by Eddie Vigil. The girls were cheered on by squads of able cheerleaders, Don Moore, David Sykes, and Randy Green for the Juniors, and Guy Andrade, Rich Draher, Robert Mederios, and Tony Martinez. They were all well endowed with strategically placed balloons.

At the end of a long, hard game, the Seniors had beaten the Juniors, 14-6.

Far left: David Sykes says "Hi there!" as Don Moore concentrates on the game. Left: "You know, Rich, I found the most marvelous hairdresser . . ."

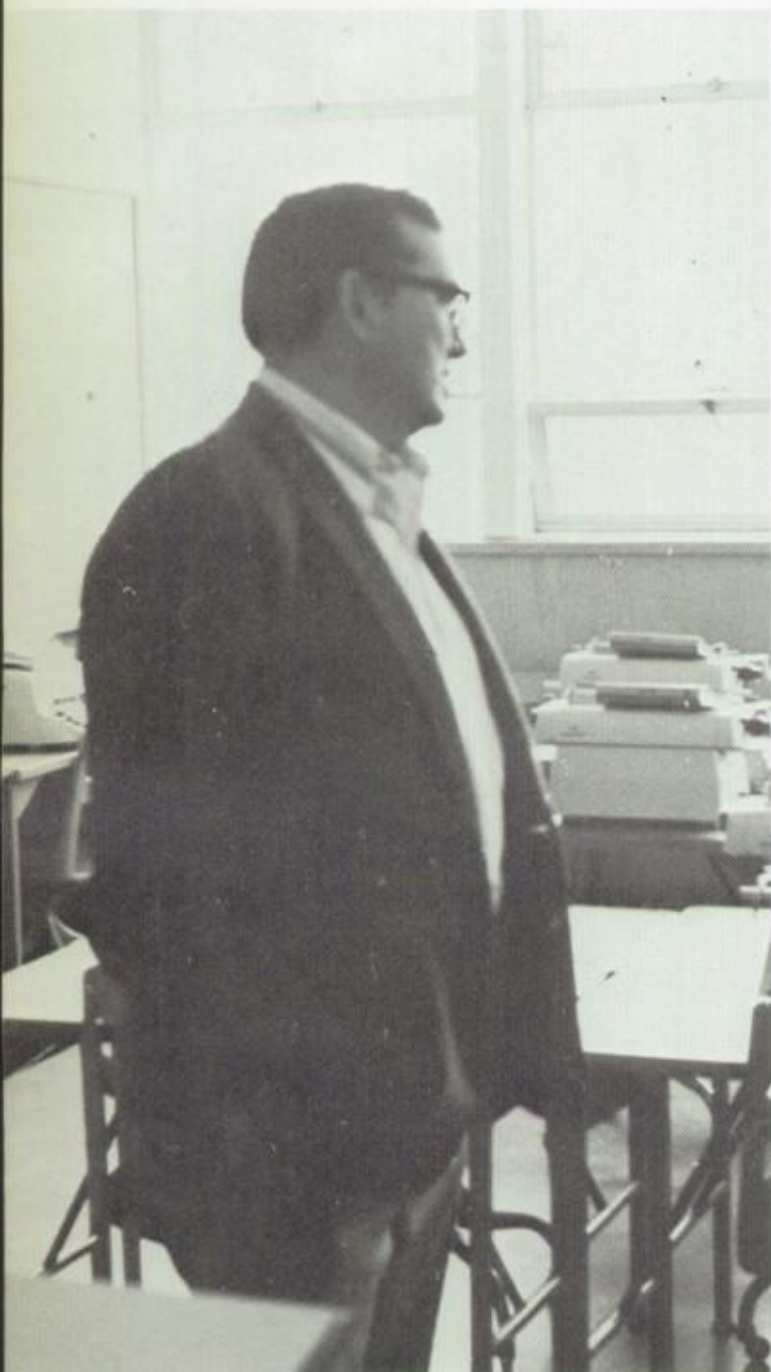

"I've got it! I've got it!"

# Executive Council Leads The Way

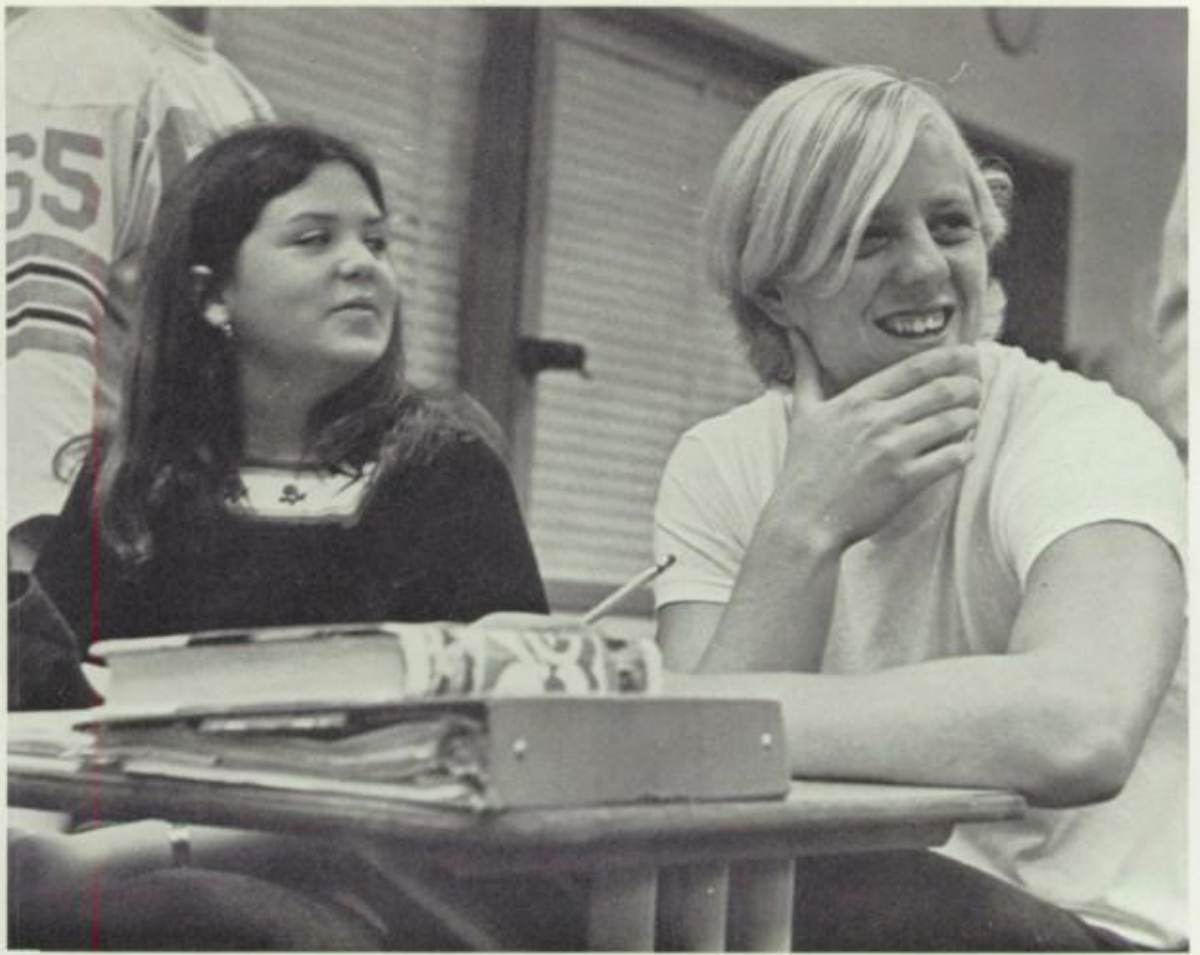

The 1972-73 Executive Council, led by President Glen Tsurumoto, took office in September and began the long year with enthusiasm. New offices this year, Representative to Curriculum Council and Rally Committee Chairman, were both filled by very able persons and turned out to be two of the most active offices.

Executive Council has always been considered the backbone of student activities, but this year it proved beyond a doubt its ability to work as every officer accomplished what was required of them. Major accomplishments include: establishment of a Student Curriculum Council, work on accrediting of the school, and the establishment of a Student Court.

# Leadership, Typewriters, and Tootle

For the first time, Tennyson had a permanent Leadership Class in the spring semester. The class during 6th period worked exclusively on student activities. In the typewriter-filled Student Government Office, B-8, the class did perhaps more work than had ever been done in student activities. Of 16 Officers in Executive Council, 12 were in the class directed by Student Body President Glen Tsurumoto under the supervision of Governor Tootle.

Although the typewriters posed a serious drawback of B-8, the members of Leadership worked well there and later A-4 was used as a second room.

A special thanks should be given here to Mr. Tootle, Director of Student Activities and Finance, who made it possible to have the course this past spring by volunteering one of his free periods to "teach" it.

# Legislative Assembly Looks At School

Legislative Assembly got off to a characteristic slow start this year. However, difficulties such as changes of history classes, communication and meeting times, were eventually overcome to assemble the many different members.

John Sullivan, the Vice President, did a fine job of assembling the group and leading meetings. In his first year in student government, he made a truly sincere and enjoyable contribution of bringing new ideas from Legislative Assembly to Executive Council.

# Sports Queen and Her Court

Head Cheerleader, Sue Deems, was crowned the 1972-73 Sports Queen on jousting day, the final day of spirit week.

The class princesses were nominated in history classes. The voting and possible screening of the girls was handled by the individual classes.

Each girl represented her class at the Jousting Day Rally and the football game that followed.

# Hassles And Hard Work of Yearbook

The cooperation of Tennyson's faculty and students was a tremendous help in making the 1973 Aegis yearbook accurate, informative, and up to date.

With the assistance of the advisor, Mr. Tootle, and the inspiring editor, Jon Harris, the Aegis staff strived to turn out a better yearbook. The students learned how to make layouts, write copy, and organize their work for each section.

Spending a great amount of hours after class working on layouts, selling ads, cropping pictures, and writing headlines to meet each deadline, the Aegis staff planned to produce and achieve an outstanding 1973 yearbook.

# Journalism Strives For A "Legend"

The Lancer Legend Staff kept the Student Body informed of the events that occurred around Tennyson this year. Hard work and Excedrin enabled the Legend Staff to meet its deadlines.

Christmas Ads, raffles and a jam session were among the events sponsored by the Journalism Class to raise funds to keep the Lancer Legend going.

The biweekly paper was published under the guidance of Mrs. Sharon Kohl, the editor-in-chief Dennis Juarez, and a crew of imaginative reporters and page editors.

# Juniors Come Out On Top!

For the second consecutive year the Class of '74 galloped its way to first place in the annual donkey basketball game. However their win last year was shared with the Seniors. The Juniors worked their way up to first place by defeating the Sophomores 2-0. Then they went on to beat the Seniors 8-4. Keeping their high spirit up they dashed on and over-powered the freshmen 2-0, and the faculty 10-6.

The Freshmen trotted easily into second, while the Seniors and Sophomores bucked out a tie for third.

# Good Music Brings Good Times

Tennyson High put on more than its usual number of dances this year. The senior class under Claire Andersen and Forrest Wood started off with a Halloween Dance and following quickly, the Black Students Union put on several dances. In the end, however, Commissioner of Entertainment Dave Nelson and the Student Body put on the most, with dances at Christmas and other times.

Music was provided by a number of great groups such as Saba, the V.J.'s, Marshall Rose, and on one occasion, the Dean of Boys Carlton Saunders.

## Groovin' In The Afternoon

Jams during lunch were few during the first semester due to the unusually large number of rainy days. As the year progressed, however, and the sun started to appear, so did the music. Helping to break the monotony of school life, students of all cliques flocked to hear the sounds of such groups as Orisha and just mixtures of musicians.

The combination of a sunny day and good music seemed the right combination to make things a bit nicer.

# Yell Leaders Inspire Team

Tennyson's 72-73 Varsity Yell-leading squad started out the year by attending the Squaw Valley Cheer-leading camp, June 21-25. They came home with a ribbon for each day of competition.

After the excitement of the first day sign-ups, the yell-leaders placed 2nd in the first competition. On the 23rd, the yell-leaders were surprised to find that they received a first place ribbon. The 24th brought on another 2nd place ribbon and on the 25th they received their only 3rd place ribbon.

The yell-leaders brought home many new yells from summer camp and spent the rest of the year attending the two major sports, football and basketball. They also participated in the many rallies that were planned for the year. They tried to attend other sports as much as possible but were unable to because of their already busy schedule.

# Wrestling Stats Have A Great Year

The Wrestling Statisticians keep statistics on each wrestler and keep score, time and bout sheets on each match. Some of the stats help at the head table during major interscholastic tournaments. The stats go wherever the team goes giving the coach and wrestlers moral support. The stats are:

Deverie Andrade, Head Stat  
Louise Valech  
Koreen Stanton  
Berta Falcon  
Kelly Jacobs

For the first time at Tennyson there is a J.V. yell leading squad, selected to support the Junior Varsity teams. The girls attend Junior Varsity football and basketball games and lead the crowd in cheers. This is excellent experience for the girls, who will be trying out for a varsity squad in the future. Two J.V. Mascots were elected to help the squad encourage the crowd to yell.

# Bold, Soul, And Inspiration Perform

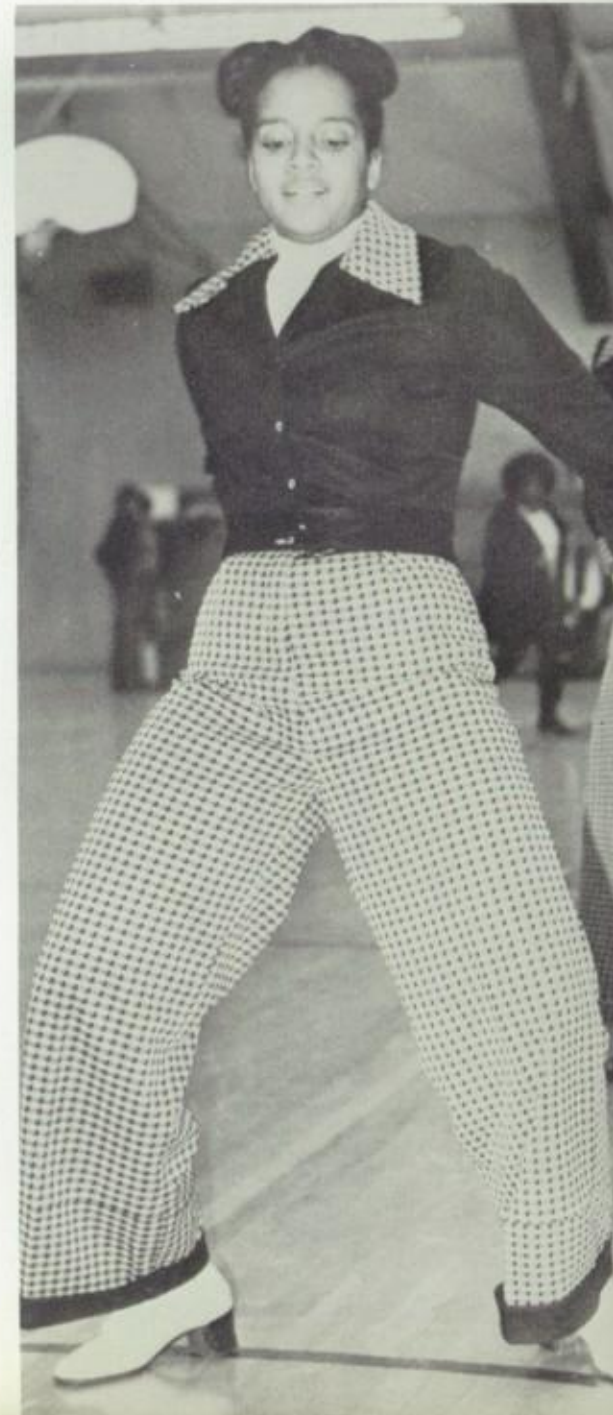

The Bold Soul Inspiration is a group of girls who organized themselves to perform at football and basketball games during halftime. The members include: Lisa Johnson, Robin Gladden, Rema Randall, Judy Bonney, Myra Johnson, Christy McQueen, and Letty Davidsen.

# Mill Scheduling - Love It Or Else

At the beginning of each semester this year students went through a day of madness called Mill Scheduling. Students got to choose their own classes, teachers, and periods. Despite the turmoil of the day, the waiting in lines, the mixups, and the confusion, the students were polled and voted 3-1 to keep the system.

So Mill Scheduling looks like a permanent part of Tennyson, for a while at least.

# Tennyson Drama Department Presents

"Summer and Smoke" is a simple love story about a Southern Puritan girl and an unreligious young doctor. They are attracted to each other by a common attitude towards life. Over the course of years they are driven from one another. Not till the end does the doctor realize the girl's high idealisms to be right, and while she is still in love with him, it turns out neither time nor circumstances will allow the two to come together.

# T.H.S. Spring Play Is A Great Hit

The T.H.S. production of "Pure as the Driven Snow" was an old fashioned melodrama comedy. The play was run by Director Larry Epstein and Student Director Dot Brown and ran from April 5 to April 7.

The story was about a no-good villain named Mortimer Frothingham and his lowdown attempts to take over the Uland Inn and to manipulate all the money and people there.

# T.H.S. - B.S.U. And La Raza

B.S.U. girls discuss coming events.

The B.S.U. Club is led by Mrs. Lucille Gerton. It is a very active group that does quite well. They had a dance this year that had a very good turn out. We hope they will do as well in the coming years.

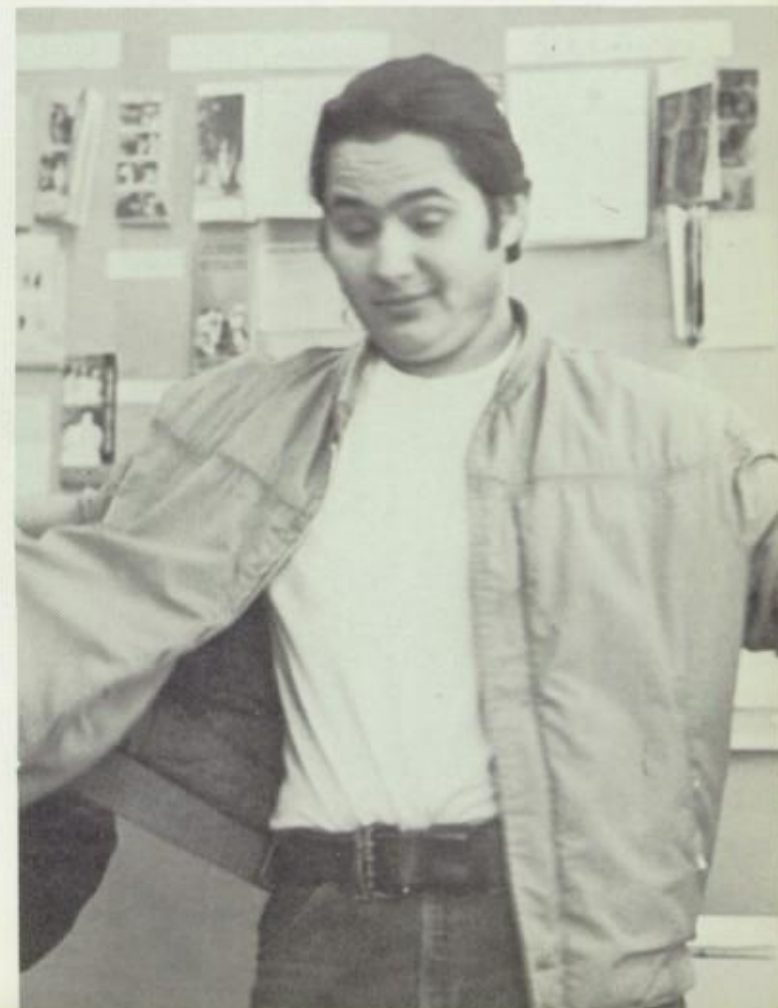

Greg Alexander addresses B.S.U. Club.

Club members of La Raza De Bronce have worked together this year to make several activities possible. Some of these activities included parents' night, a field trip to Chabot College and a journey to San Juan Baptista. They worked with other schools in Hayward to make Cinco De Mayo festivities a success. Mr. Jose Ovalle and Mr. Don Dominquez are advisors for the club.

Twelve girls did a skit called "The First Twelve Days of School". Later Judge Farewell followed speaking to fathers and daughters about being a woman judge. The dinner ended at 10:00 with the fathers dancing with their daughters.

Sugar Bowl and Sierra Ski Ranch were among the ski resorts challenged by the Tennyson Ski Club this year. Skiers enjoyed a full day on the slopes by leaving the school at 5:00 a.m. on a chartered bus. All students at Tennyson were advisors and experienced skiers offering assistance to novices.

This year's President was JoAnn Moita. The combined offices of vice-president and treasurer were held by Sue Fuhr and JoAnne Reimers was secretary. Leo Epperson and Bob Kershaw were advisors. The combined efforts of these people with the club members made the Ski Club a success.

# CCF Brings Religion To The Campus

Mr. Anderson-advisor

CCF stands for Campus Christian Fellowship. They have sponsored several speakers, including one representing Jews for Jesus. They have shown two movies called "Out of the Night" and "Walking With God". They have devotions at some of the meetings and have Bible studies at different individual's houses.

The purpose is to unify and strengthen Christians from all denominations within the school. They sponsored dinners at Thanksgiving, Christmas, and Easter.

# G.A.A. Offers Variety Of Sports

The greater interest and prestige in women's sports have led to a more successful G.A.A. program with a greater number of girls participating in tennis, volleyball, basketball, bowling, gymnastics, softball, and swimming. Leagues were expanded to include more schools outside the Hayward area. In addition "B" Teams were formed in volleyball, basketball, and softball.

# CURRICULUM

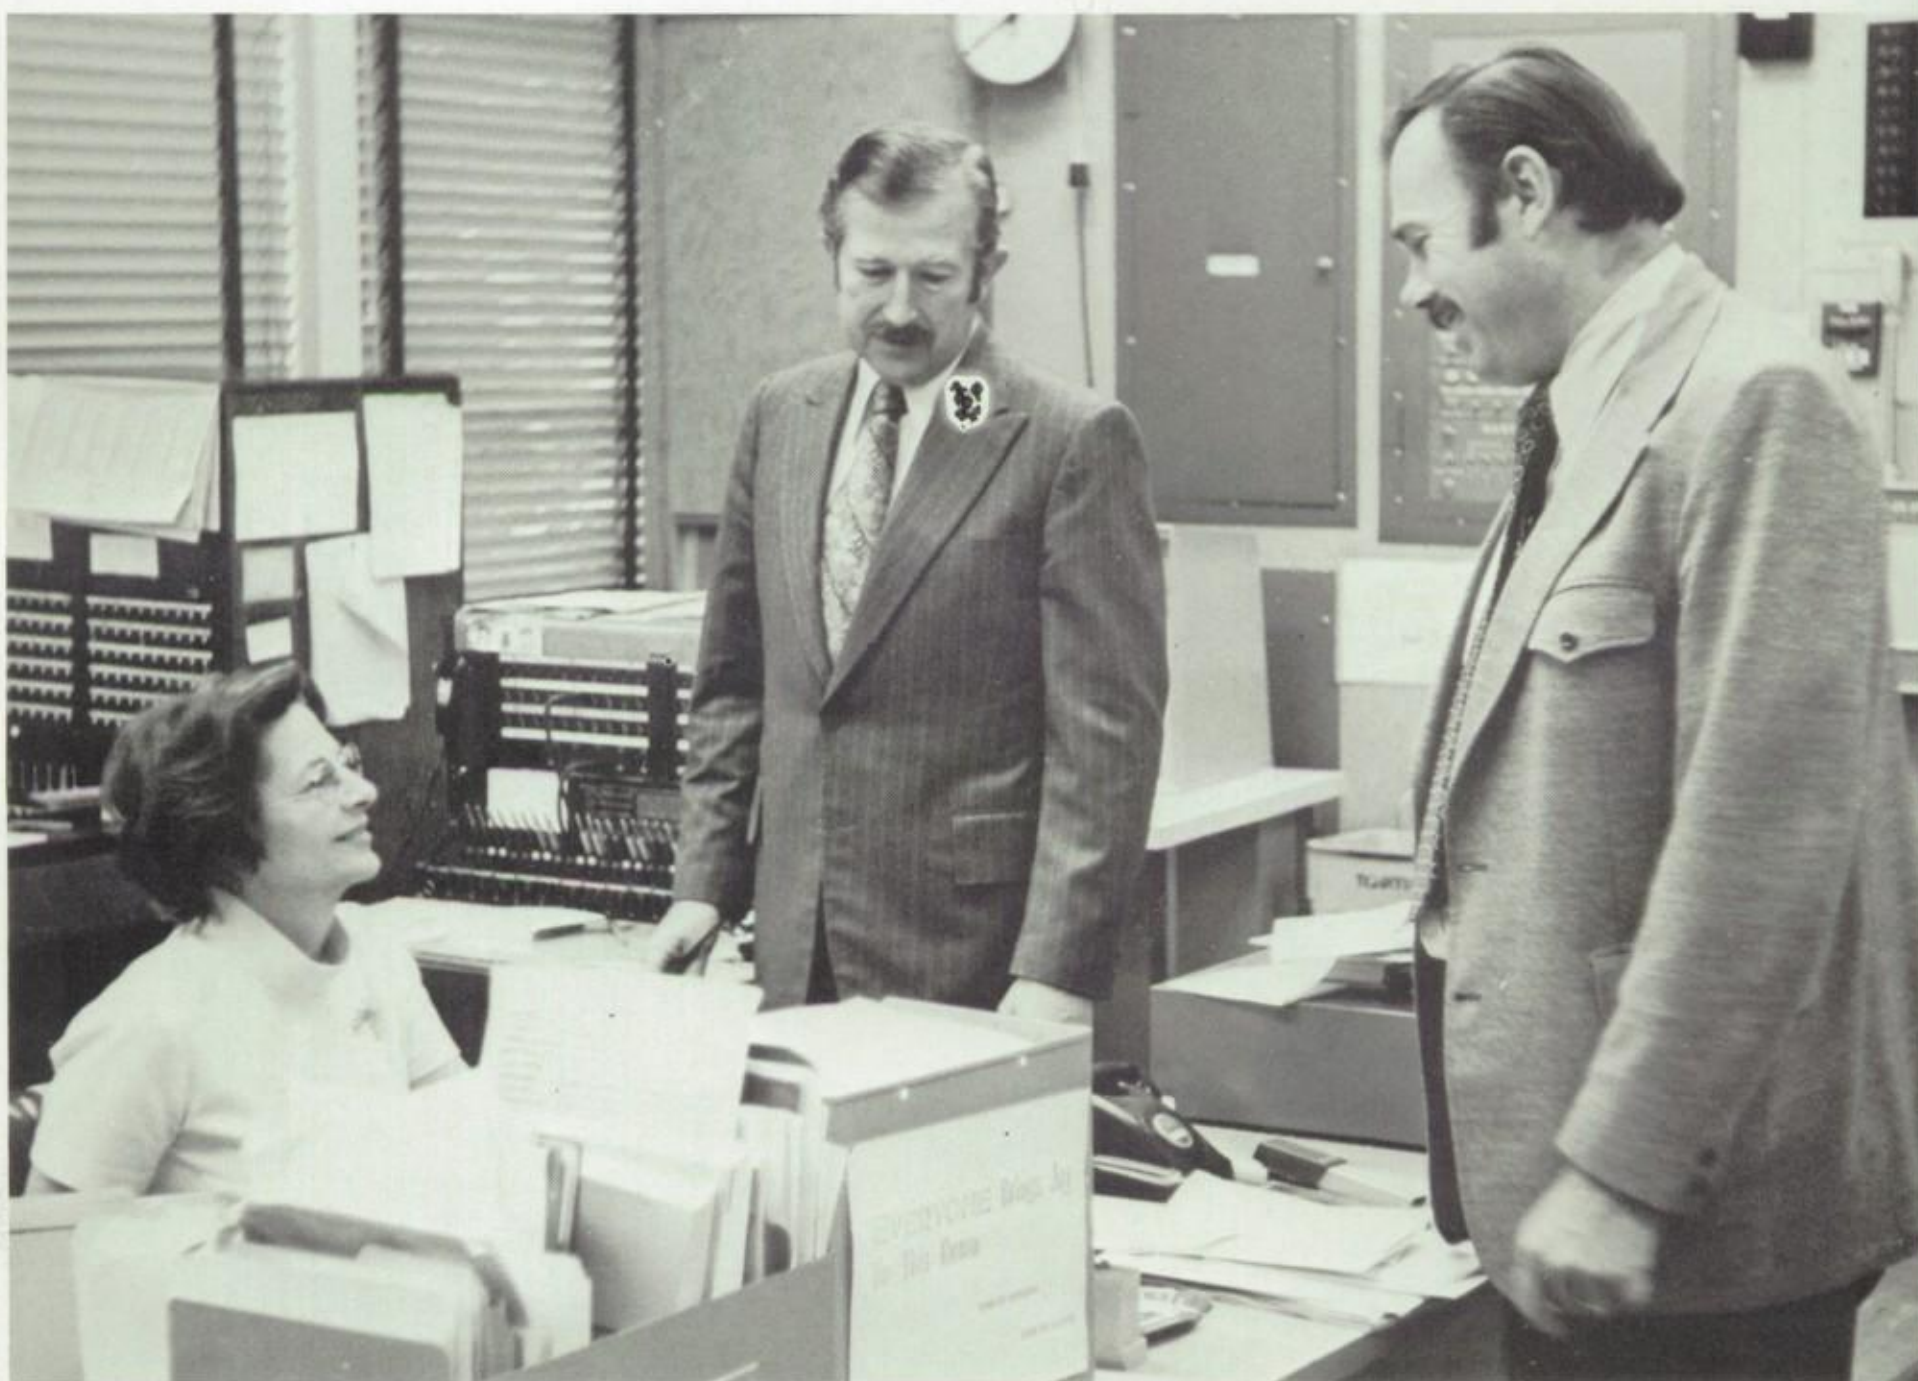

I have always felt that the message in a yearbook should be such that in years to come the reader can find out, "What kind of a school was Tennyson in 1972-73?"

I think the most significant event of the year to date has been Spirit Week and Jousting Day. This total event involved more students in a spirit of friendly rivalry than any other event in the last several years. Any observer would conclude, from this event, that apathy is not the rule and that spirit can be generated.

I would like to conclude by congratulating the entire student body for their contributions in making Tennyson a spirited school during the 1972-73 school year.

The responsibilities of the vice-principal here at Tennyson are broad. Everyone seems to know what the deans and principal do but most students don't even know who the vice-principal is much less what he does. My job includes three main areas, school budget, curriculum, and classified staff.

In the last few years we have made some meaningful changes in the area of curriculum. Changes to quarter courses in English and social studies, nine week grading periods, semester scheduling, and the core program have all been instituted. These new programs represent worthwhile changes-they better meet the needs of our students and allow them more freedom of choice. I hope our curriculum continues to move in this direction and that we will have courses and programs that are appealing to all our student body.

This is my first year in the job of vice-principal and as I look at Tennyson and the changes that have taken place here in the last few years I see many positive things. One of the most encouraging things is the attitude of the students. For the most part it is positive and cooperative.

You've got to be kidding!

A concerted effort is made by the teachers of Business Education to help our students realize fully their individual capacities and to achieve increasingly effective human relationships. We help the student become well acquainted with opportunities and requirements in business occupations and to acquire an understanding of the nature of business standards or requirements with regard to the workable skills needed for them to secure employment. Hopefully, our students will develop an awareness of business goods and services so as to be intelligent consumers.

# Better Counselors Make Better Students

The keystone of the guidance program is the teacher-advisor. Every student has his own teacher-advisor and it is through the work of this person that provision for guidance services for all students can be assured.

Provision for both group guidance and individual counseling is an integral part of the program and both are considered essential to a good guidance program. Group guidance is used to disseminate information, establish basic concepts and provide for general discussion of guidance materials and ideas by students and their teacher-advisor.

This guidance program is based on the belief that effective guidance is developmental in nature and is primarily aimed at aiding the student to make a continuous adequate adjustment based on wise and appropriate decisions.

# Varsity Beats Best

The Varsity Football Team under the coaching of Norm Prince and Lee Becker, ended the season in sixth place with 3-5 league record. Two of the wins were against Sunset and Mt. Eden, the top title contenders in the H.A.A.L. Head Coach Norm Prince finished his last season this year. He has put together many fine teams over the years. Inexperience and turnovers were the reasons for most of the squad's losses. First year quarterback, Don Moore, passed for the most yardage in the league with 792 aerial yards.

Picked for the most valuable player this year was halfback, Richard DiTiberio. The All-Leaguers for Tennyson were Richard DiTiberio and Junior offensive tackle, Ted Rollins. DiTiberio made All-League both at offensive and defensive halfback. With many returning lettermen, Tennyson should have a strong team next year.

# Junior Varsity Finish Strong

The Junior Varsity Football Team under the rookie coaching of Don Romero and Don Rodriguez pulled out of an early season slump to win four out of their five last games and end the season in third place.

The team started the season with two losses before they finally put things together against Arroyo to come up with a 24-20 victory. The young squad was to lose only one more game which was to Hayward, the League Champs.

The Lancers last game was against archrival Mt. Eden. The team's momentum carried them on to victory and thus ended the Junior Varsity's fourth winning season in a row. At the awards banquet the Most Valuable Player went to Paul Wilson.

# Frosh Take First In HAAL

The Frosh-Soph Football Team, under the coaching of Bob Lawrence, showed great promise for Tennyson Football in the future. The Frosh-Soph Team shut-out 7 teams and compiled a 7-1 league record to tie Sunset for the League Championship. Before the season opener against Marina, Quarterback Scott Ogden was injured in practice breaking his collar bone. Replacement John Rothberg led his team to its first shut-out over Marina 20-0. The Frosh-Soph then clobbered Canyon 40-0. The team was given its only setback by Sunset. Coach Lawrence scared of his team momentum had nothing to worry about because his team ran Arroyo right off the field 42-0. The Frosh-Soph then proceeded to run San Lorenzo off our field 40-0. The team met tougher competition its next 3 games but still whipped Castro Valley 28-0. Hayward which was about twice our size was pushed over by a score of 22-0. The next game was a big one. The Frosh-Soph ran up against arch-rival Mt. Eden on enemy ground, but the Monarchs couldn't cope with the mighty Lancers, and fell 28-0. The most valuable player was Dan Dimas, but was challenged by John Fekete and Duane Rodriguez. It was the second consecutive championship for Mr. Lawrence and his squads. In his last three years as coach he has compiled a 21-3 record.

# Way To Winning Season

The Water Polo Team in its third year at Tennyson found the winning way. Under Coach Crocker the team crushed opponents right and left and came up with a 15-7 overall record. After losing their opening game to Palo Alto the water poloists won 9 straight games. Then the Tennyson team went to a tournament and faced some of the toughest teams in Northern California and came out with 1 win out of 4 tries. The team played a tough opponent in Berkeley and beat them the first time ever and won it by a score of 9-7. They then took on Washington, another team they had never beaten, but in a confused 3rd period Tennyson lost by a close 11-9 score. In their season finisher Tennyson crushed El Camino 22-3 where everyone on the team scored at least one goal. The most valuable player was Bob Griffin who was the goalie and the best offensive player award went to Ron Vanboxtel and the team captain Awards went to Scott Smith and Paul Walton. The Dirty Ernie award, a classy award which goes to the most frequent fouler, went to Jim Byrd.

The Tennyson High Cross Country Team ran away with their seventh Hayward Area Athletic League Championship with ease. Victor Garcia and Dave Reiter led their team to an 8-0 dual meet record, defeating all other teams with little difficulty. The league meet was held at Hayward High. The Lancer squad over-powered the rest of the schools by beating the nearest team by over 30 points. Placing in the top ten, which is qualifying for all-League honors, were Victor Garcia, fourth place, Dave Reiter, fifth place, Joe Airsman, seventh place, and Art Durazo tenth place. The Most Valuable runner went to Junior Victor Garcia who took first in every meet but two.

In Tournament competition the squad did well finishing in the top 7 in all the meets.

The Junior Varsity level swept another championship nipping Castro Valley by 1 point. They were led by Jim Elliot who took a fourth place in the league run-offs but were undefeated in dual meets. The team was paced by sophomores Jim Moita and Tom Noble.

# Lancers End On Winning Note

In spite of a slow start, the Varsity Basketball Team got together to upset two of the top teams in the HAAL by thwarting Mt. Eden, 61-59 and defeating the tough Hayward Farmers for the first time in four years, 61-57. The team also set a school record when they destroyed Canyon, 89-51, this is the highest point total ran up by Tennyson in three years.

At the conclusion of league play the team traveled to Loomis to participate in the Del

Oro Tournament. The teams leading scorer Dan Dwelley, was voted All Tournament Player. Dwelley also represents Tennyson on the HAAL All-League Team.

The player that improved most during the year was Junior Greg Brown. This years team consisted of five seniors and five juniors. Coach Walker expects next year to be a good season with his five returning lettermen and the first year varsity players that will be moving up from the J.V. Team.

The Junior Varsity Basketball Team led by Most Valuable Player Kevin Bowers and Freshman Matt Anderson ended the season with a 4-12 win-loss record. The team started out the season winning 4 out of their first 9 games but went into a slump losing their last 7 games. Their most exciting game was a pre-season game against Logan; in which Johnny Estrada shot the ball on the buzzer causing the Lancers to win 40-39. The team also upset Castro Valley by a score of 58-57. Greg Van Riper and Matt Anderson were voted most Inspirational Players by the team. Ray Broom was the most improved. Coach Fife is optimistic about next year's team, even though some may be moving up to varsity. He expects next year's J.V. to have an excellent season.

The Varsity wrestling team under the coaching of Willis Valech, captured its third straight undefeated HAAL dual meet championship. The team has lost only three League meets in five years deriving a 37-3 record.

Five wrestlers went undefeated in League competition this year as Jim Moita, Tom Noble, Steve Cross and Guy Andrade all had 8-0 records, while Scott Smith had a 6-0-2 record.

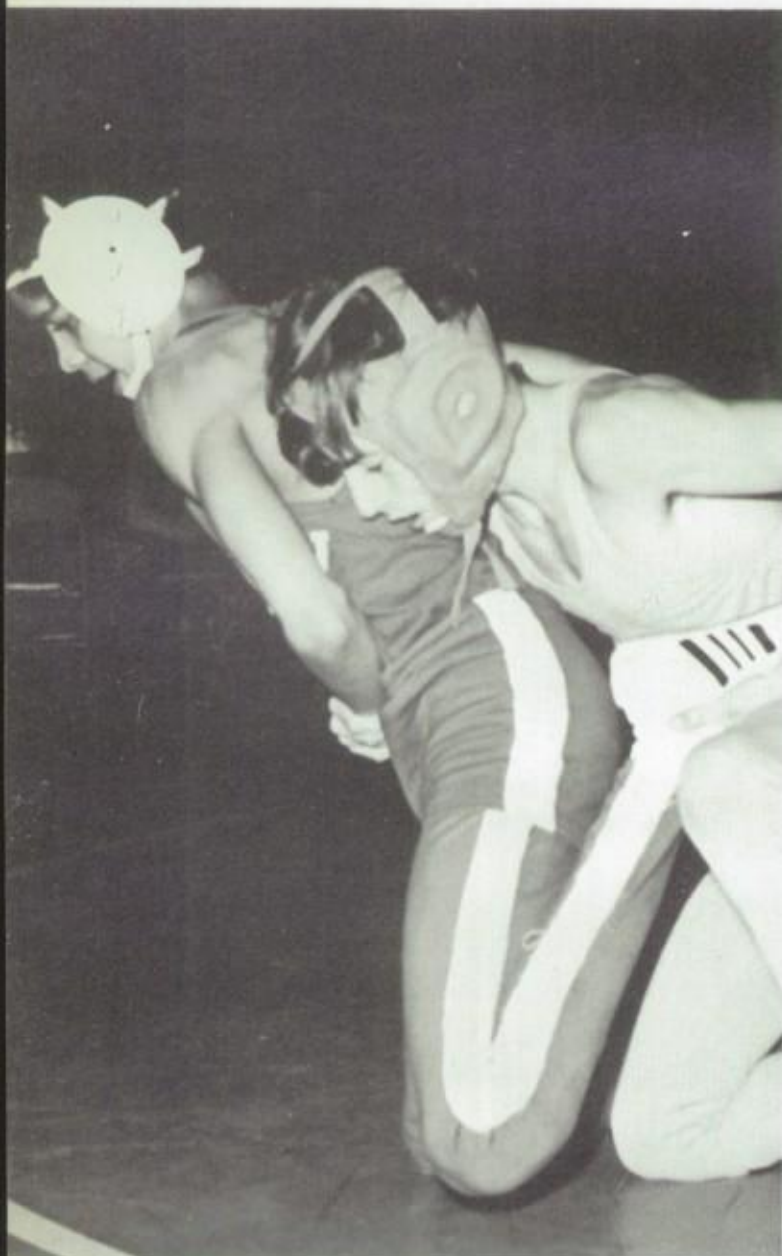

Most valuable wrestler honors went to Sophomore Jim Moita.

# Score Record To Capture Title

This year T.H.S. wrestlers showed outstanding ability by placing first in the Hayward Area Athletic League for the sixth consecutive year. Three individual wrestlers were champions in their own weight class, Jim Moita, Steve Cross, and Tom Noble.

The Lancers also won their third consecutive championship in the Tennyson Invitational Wrestling Tournament by setting a new scoring record of 101 points.

Jim Moita was voted most outstanding wrestler at the North Coast Section Wrestling Championship held on Feb. 24, as Tennyson's most valuable wrestler. Other wrestlers awarded were Art Durazo who was Tennyson take down champion, Guy Andrade who pinned 17 of his opponents to lead his team with the most pins. Both Guy Andrade and Jim Moita will be entered in Tennyson's Hall of Fame.

Bottom row: Robert Fernandez, Scott Webster, Gilbert Zuniga, Ronnie Alvarez, Richard Draher, Richard DiTiberio, Top row: Coach Santos, Scott Swanson, Mike Pope, Robert Morgan, Randy Green, Mike Crede, Doug Clark, Mark Nicosia.

# Soccer Team Has Best Year

The 1972-1973 Soccer Team compiled a 4-6-2 record. This is the best any other Tennyson High School Soccer Team has done. Led by All-Leaguer Gilbert Zuniga and Most Valuable Player Richard DiTiberio the Soccer team really jelled. Although they lost 6 games they were never beaten by more than 2 goals. The biggest win of the season came when they beat Castro Valley 3-2. They have only two seniors graduating off their starters so they should look even better next year.

Left: Gilbert Zuniga dribbles ball down field. Below: Robert Fernandez heads ball.

# Golf And Tennis Are Impressive

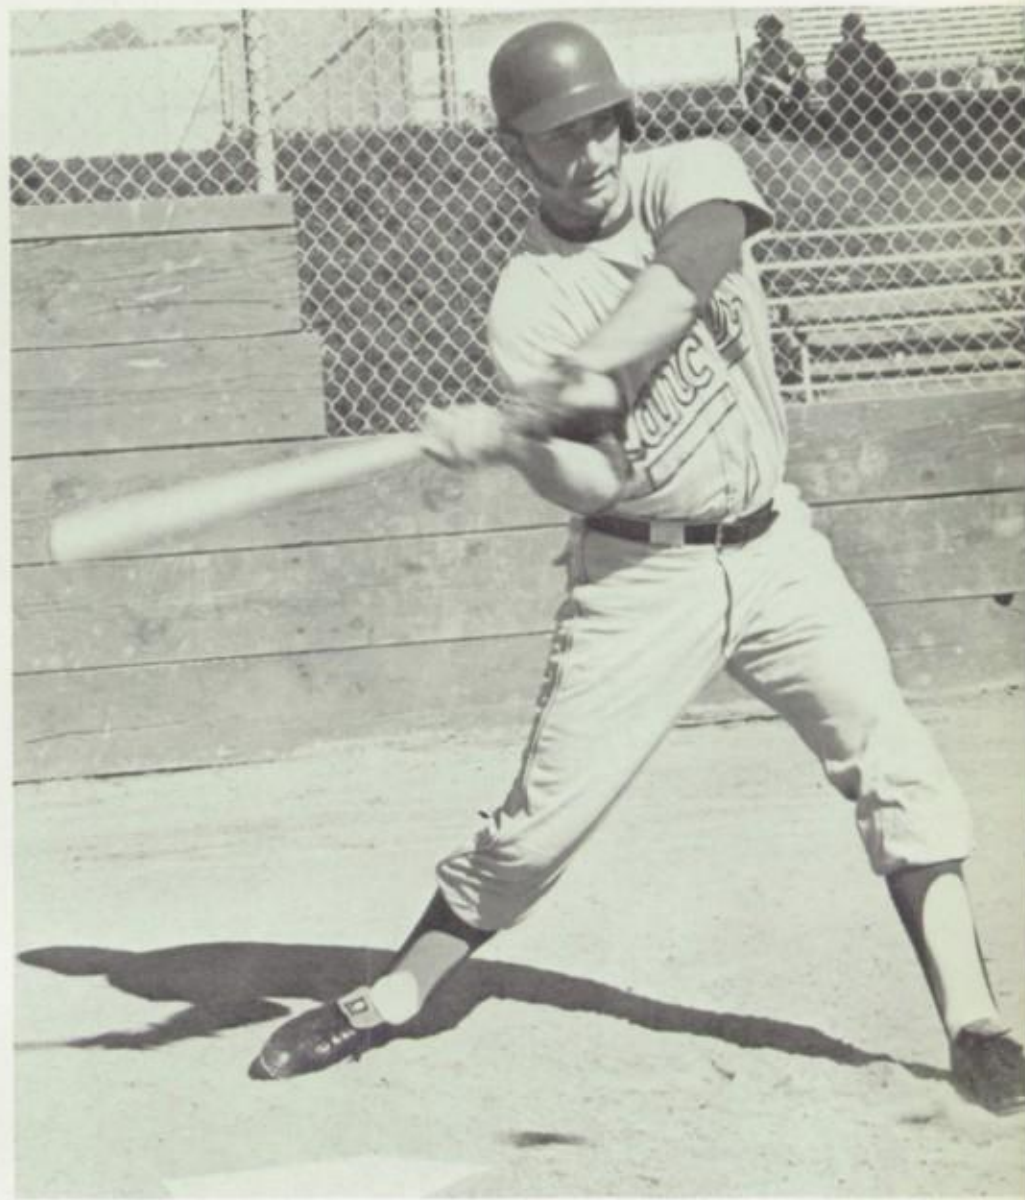

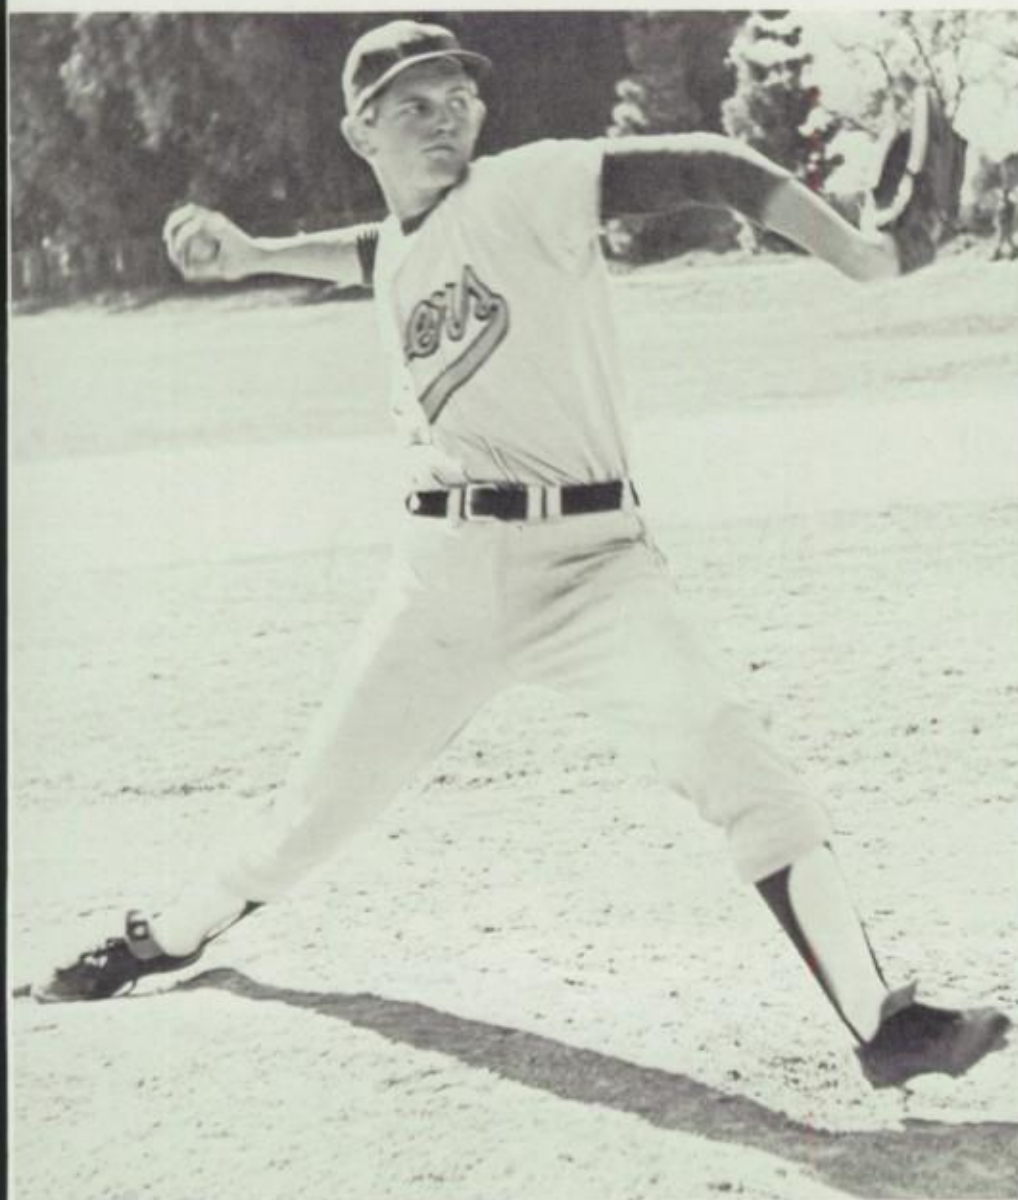

Front Row: Marc McClure, Jeff Peterson, Ken Sakai, Mike Fong. Middle Row: Jon Harris, Alberto Rocha, Forrest Wood, Jim Lamb, Robert Vaughn, Johnny White, Ken Lee, David Sykes, Coach-Monte Jarman. Top Row: Bill Sakai, Rick Clare, Floyd Conner, Larry Gomes.

Front Row: Done DiePolo, Don Nering, Jim Ellington, Dan Dwelley, Brad Louisano, Ron Lemke, Frank Bohl. Back Row: Dave Rodriguez, Kevin Scanlon, Bill Lockenmeyer, Dered Winspear, Brad Mellons, Lyle Ethington, Jeff George.

# Baseball Gains Valuable Experience

Above: Ernie Morrison pitches the ball. Right: Allen Stokes swings at the ball.

Front Row: Mark Hampton, Dan Freeman, Eddie Vigil, Richard DiTiberio, Arthur Durazo, Karl Utsurogi, Doug Webster. Back Row: Jeff Jones, Ken Berwald, Allen Stokes, Mike Morgan, Mike Steinhäuser, Mickey Medina, Ernie Morrison, Johnny Estrada.

# Students From Foreign Countries

Tennyson High School was privileged to welcome three foreign exchange students this year. They were Petra Meckbach of Germany, Pia Gustafsson of Sweden, and Alfredo Salvato of Argentina. All three students enjoyed the experience and found it very rewarding.

They all commented on the many opportunities to participate in sports, clubs, and activities. They also appreciated the open relationships between students and teachers.

John,

I hope you have  
a great summer  
and Best of Luck in  
the coming years I hope  
to see you around and  
Take Care of the big T.H.S.  
and it'll take care of you  
May everything come  
your way and  
Be good

Love ya

P.S. You  
were really  
great at the  
Hawaiian Show!

John,  
If it wasn't  
for Putkey we would  
never met. But  
I'm glad we did. I hope  
you really nice. I hope  
you'll bump into each  
other somewhere! Love  
Jake + Care  
God Bless

John,

How would you like  
it if I wrote down  
all of your deep dark  
secrets on a piece of  
paper & passed it around  
the class? You really  
looked — — — in  
your khaki skirt.

Have a great summer  
and Take care.

Love

Cathy

P.S. John Ramos  
shaves his  
legs!
